

## Details:

- Standard model is UL listed for Dry, Damp and Wet Location Use.
- Multiple electrical knockouts with easily removable wiring compartment cover.
- Durable powdercoated black finish.
- Compatible with any of Conveys 24v Constant Voltage Products.
- Separated High and Low Voltage wiring compartments.

## Dimming Features:

- PWM Dimming - 24v Driver and Bluetooth/Casambi all in One
- 1 Channel for Static White and Warm Dim Products
- 2 Channels for Tunable White Products
- 3 Channels for RGB Products
- 4 Channels for RGBW Products
- 5 Channels for RGBW+Tunable White Products

## Optional Factory Installed Items:

- Cord/Plug - 9' 16/3 SJ Cord with Grounded Plug.
- MC Flex - 9' 14/3 MC Cable Flex.

## Profile:
